## ROME FASHION PATH: FROM MAY 14 TO 19 ROME STEPS INTO FASHION WITH A BUSTLING LINE-UP OF EVENTS OPEN TO THE PUBLIC

**Rome Fashion Path**, the Capital's first widespread event dedicated entirely to fashion and new trends with a rich calendar of events completely free and open to the public, will take place **from May 14 to 19**. A unique occasion to experience the city of Rome in a new way, where people will have the opportunity to meet those who design, tell and interpret fashion. Walking through the streets of the center and the suburbs you will discover hidden corners and charming locations set up for the occasion.

Rome Fashion Path was born from the many years of experience and success of **Rome Art Week** and is a format aimed at focusing on the most interesting and relevant brands and places on the contemporary scene, revealing the savoir-faire and creative research that have made and still make the city of Rome the reference point for students, designers and insiders.

The beating heart of the event will be **boutiques, fashion schools, showrooms, ateliers**, but above all **the new generation of emerging designers**, who will show their creations in the art galleries of the Rome Art Week circuit.

The full calendar and map of events are available on [romefashionpath.com](http://romefashionpath.com) (direct link [here](#)).

Rome Fashion Path is an opportunity to be inspired by the creativity and taste that will animate the city during this unforgettable six-day event.
